HISTORY –

AS,

At AAMAACADEMY we believe in the power of a mother's love and guidance. As the saying goes, "Mother possess a power beyond that of a king on his throne."

Our founder, Shrimati Babita Rai, had a dream for educating the aspirants with a vision to empower students to reach their full potential, just like a mother's unwavering support empowers her child.

We are highly obliged to work for this dream & expanding our centre to all over the country of digital & offline mode including top metro cities like pune, Ahmedabad, Varanasi with our core values to providing a nurturing environment where students can learn, grow & thrive. As the First teacher in child's life, a mother's influence is irreplaceable & we're committed to supporting parents in shaping the next generation.

Followed by it is a dream of Dr. Nikita mam to achieve a free education system to upcoming generation & Crack the competitive exams like IIT-JEE, NEET, MHT-CET & olympiad like IMO, ISO, SOS, NSO & NLSTS.

MISSION

Our mission is to provide a nurturing and inclusive learning environment that empowers students to reach their full potential, fostering academic excellence, creativity, and critical thinking.

VISION

Our vision is to become a leading institution, renowned for our innovative approach to education, academic excellence, and commitment to student success.

Shrimati BABITA RAI
(Chairman)
